## Liaisons Work Team Meeting

April 10, 2017

### Attendees:

L. Smith, L. Gwinett, P. Gujilde, N. Cannon-Rech, R. Ziegler, B. Glasco, L. Li, J. Mortimore, D. Skinner, K. Coates, F. Smith

### **1. CT2 Symposium "Faculty/Library Collaborations in Support of Learning" held Friday, April 7<sup>th</sup>:**

Several of the work team members shared their impressions of last Friday's CT2 Symposium for new faculty. The program highlighted four library faculty/classroom faculty collaborations. The speakers were Dr. Checo Colon-Gaud, Dr. Steve Engel, Dr. Adrienne Cohen, and Dr. Howard Keeley. Overall, the liaisons thought it was very successful and hope to do this again next year. In the meantime, we discussed providing similar programs highlighting other Henderson library resources and services during the CT2's Lunch and Learn programs. Rebecca thanked Fred for organizing the program and Nikki for making a handout for the participants.

### **2. Update on New Faculty Orientation giveaway items:**

Lori presented the catalog information for the umbrella that we have decided to give to new faculty at the New Faculty Orientation in August. We will purchase 144 single color umbrellas, personalized with an image and message. Lori will ask Janet to assist with the design of our art work, and Lori will share the final copy via email before the order is sent.

### **3. Liaison Newsletter:**

Paolo asked about the next issue of the Liaison newsletter. We decided that a newsletter should go out shortly before the new faculty arrive. One article we plan to include will feature the CT2 symposium (see agenda item #1) that will cover the symposium in general. Then, we plan to have an article highlighting each speaker's contents in 4 subsequent issues.

We will use the new format (CMS) to create the Liaison newsletter. Jeff asked for volunteers to work on it with him. Lori, Paolo, and Nikki will work together to test and assist in using the CMS platform for the newsletter.

### **4. Discussions/Announcement: None**

Meeting was adjourned at 3:50pm
